

CHURCH PLANTING

Leading on the
Edge of Mission

Seventh-day
Adventist Church

North New South Wales

INTRODUCTION

When Jesus looked over the towns and villages that were spread out around Lake Galilee and Judea, He saw that the harvest was plentiful. He understood that, deep down in people's hearts, they longed to be truly free. He spiritually sensed that they wanted a real connection with their Father in heaven that loved them unconditionally, but who also had the supernatural power to transform their lives. Jesus knew that the best place for people to grow spiritually is in the environment of a healthy church family.

That's why Jesus told His disciples, "The harvest is great, but the workers are few. So pray to the Lord who is in charge of the harvest; ask Him to send more workers into His fields." That call is still just as powerful and needed today. Jesus is calling you into the massive spiritual harvest in NSW to connect with people and lead them into a saving relationship with Him. He is calling you to make disciples and start new churches. Would you like explore Jesus' call and vision for planting new churches?

DO YOU FEEL DRAWN TO THE VISION OF CHURCH PLANTING?

Have you sensed the Holy Spirit calling you to step out and start a new Seventh-day Adventist church? You are standing at the doorway of an amazing journey of faith! This spiritual adventure goes back to the very beginning of the Christian faith and the Seventh-day Adventist movement!

"My ambition has always been to preach the Good News where the name of Christ has never been heard, rather than where a church has already been started by someone else."

Apostle Paul

"Upon all who believe, God has placed the burden of raising up churches."

Ellen White

"The single most effective evangelistic methodology under heaven is planting new churches."

Peter Wagner

"The vigorous, continual planting of new congregations is the single most crucial strategy for 1) the numerical growth of the body of Christ in any city, and 2) the continual corporate renewal and revival of the existing churches in a city."

Tim Keller

New Churches Planted

EVERY YEAR IN NNSW

Would this be a vision to
pray for and work towards?

Do you feel called to be part of this
disciple-making process?

Would you like to be part of making
this vision become a reality?

WE ALREADY HAVE MANY SEVENTH-DAY ADVENTIST CHURCHES.

Some of them have quite a few empty seats on Sabbath morning. So, why would we want to start new churches?

*“New wine is stored in
new wineskins.”*

Matthew 9:17 (NLT)

01

There are many unreached communities and people groups who can only be reached through new churches.

02

Church plants that have a clear mission focus can create a welcoming culture that is attractive to spiritual seekers.

03

New churches give up-and-coming leaders opportunities to grow and develop in their leadership.

04

Our Seventh-day Adventist movement needs to keep planting new churches to keep growing.

It is also important that Jesus cares about all of our churches, even if they are struggling. Keep in mind that the NNSW Conference also has a church revitalisation program to help all churches become healthy and grow.

WHAT'S THE RIGHT REASON TO START A NEW CHURCH?

Are there any wrong reasons for wanting to start a new church?

"And even when you ask, you don't get it because your motives are all wrong—you want only what will give you pleasure."

James 4:3 (NLT)

- ✔ **Because you sincerely believe that the Holy Spirit is calling you to reach a new group of people in the community.**
- ✘ **Because you are frustrated, upset or angry with the pastor or elders in your current church, so you want to get out and start your own church.**
- ✘ **Because you don't like the worship style in your current church and would like to start an alternative worship service elsewhere.**

"And we are confident that he hears us whenever we ask for anything that pleases him. And since we know he hears us when we make our requests, we also know that he will give us what we ask for."

1 John 5:14,15 (NLT)

JESUS SENT OUT HIS TEAM OF CHURCH PLANTERS WITH THE FOLLOWING INSTRUCTIONS IN *LUKE 10:1-12*

1. See the community through Jesus' eyes—there is an abundant spiritual harvest!
2. Pray that the Lord would send more missional leaders to join your team out in the community.
3. Pray that the Holy Spirit would connect you with people of peace in the community who are spiritually open.
4. Eat with people of peace like Jesus did.
5. Pray that God would heal people—spiritually, emotionally, socially and physically.
6. Tell people how much God cares about them.
7. Share with people what the kingdom of God is like.

“Christ’s method alone will give true success in reaching the people. The Saviour mingled with people as one who desired their good. He showed His sympathy for them, ministered to their needs, and won their confidence. Then He bade them, ‘Follow Me’.”

The Ministry of Healing, 143.

The steps that Jesus used:

1. Mingled with people as one who desired their good.
2. Showed His sympathy for them.
3. Ministered to their needs.
4. Won their confidence.
5. Called them to “Follow Me.”

WHO?

It is really important that you spend time praying about the group of people that the Holy Spirit is calling you to reach. Of course, church plants need to welcome everyone who wants to learn more about Jesus. Having a clear focus, though, brings clarity to the mission of your new church:

- You can clearly identify the needs of the people that you are called to reach.
- You can intentionally recruit team leaders who match the demographic of the group that the Holy Spirit is calling you to focus on.
- You can create a church culture that the people that you are reaching will feel attracted to and comfortable in.

THERE ARE THREE ESSENTIAL AREAS THAT YOUR TEAM NEEDS TO FOCUS ON AS YOU BEGIN

01 DEVELOP YOUR VISION AND STRATEGY

- What is the picture that God has in mind for your church plant?
- What will your church plant look like in 10 years time?
- What strategy are you going to follow to make disciples?
- How can you build the vision of planting many churches into the DNA of your church plant?

02 BUILD YOUR TEAM

You can build your team by intentionally recruiting people such as:

- Friends and family who have a heart for mission
- People who are actively involved in doing Bible studies
- People who match the demographic of the people you are aiming to reach

03 ENGAGE WITH YOUR COMMUNITY

It is important that you are engaging with your community right from the start:

- Prayer walk around your community
- Do a demographic study of your community using online information or by doing door-to-door community surveys
- Connect with influential gatekeepers in your community, like school principals, police officers, librarians and city councillors
- Join or start groups that are meeting the needs of your community, for example, that are focused on kids, health/wellness, sports, music, hobbies/crafts or spiritual interest groups.
- Connect with people in the community on social media like Facebook, Instagram and MeetUp

IN ORDER TO BE EFFECTIVE

in reaching people and leading them to become followers of Jesus, it is important to have a good understanding of the discipleship strategy that you are going to follow. Use this framework to develop your discipleship strategy:

Strategic Area

Strategic Initiatives

Connect

How are you going to effectively connect with people in the community?

-

THE TIMELINE FOR YOUR CHURCH PLANT

will depend on who you are trying to reach and the size of your team. However, this example timeline will give you an overview of what your timeline may look like:

0-3 months

3-6 months

6-9 months

9-12 months

Meet weekly together as a small group to plan how you will:

1. Develop your vision and strategy
2. Build your team
3. Engage with your community

Start meeting as a house church on Sabbath once a month and plan your transition to weekly Sabbath worship services.

Plan systems for your church plant including:

1. Discipleship strategy
2. Guest follow up
3. Communication system
4. Financial management
5. Leadership development
6. Evaluation system
7. Event planning and your calendar

Launch weekly Sabbath worship services for your church plant.

Plan an evangelistic program that will invite people to make a decision to follow Jesus.

Level 1

PRE-CHURCH PLANT EVANGELISTIC WORK

"Therefore, go and make disciples of all the nations, baptising them in the name of the Father and the Son and the Holy Spirit. Teach these new disciples to obey all the commands I have given you. And be sure of this: I am with you always, even to the end of the age."

Matthew 28:18-20

Potential Support for Pre-Church Plant Evangelistic Work (PEW) in the NNSW Conference

Potential Support

Pre-Church Evangelistic Work (PEW) can be recognised by the Church Plant Task Force and receive allocated funding for reaching new people groups prior to the establishment of a group, church plant or company. Grants of up to \$2,500 per year, per location, can be allocated at the discretion of the Church Plant Task Force.

Eligibility for Support

Worthiness for the evangelistic project would be required to be met to the satisfaction of the Church Plant Task Force and the parent body overseeing the project (either a mother church or the NNSW Conference).

The following criteria would be measured to determine eligibility for support:

- Perceived potential for the PEW project to lead to a future church being planted
- Leadership of the project
- Alignment with Adventist mission and values
- Financial management of the PEW project
- Compliance with AdSAFE requirements

Level 2

CHURCH PLANT

“But you will receive power when the Holy Spirit comes upon you. And you will be my witnesses, telling people about me everywhere—in Jerusalem, throughout Judea, in Samaria, and to the ends of the earth.”

Super Tithe Reversion

SUPPORT FOR CHURCH PLANTS

For the first few years, a church plant is eligible to receive Super Tithe Reversion. This means that 50% of their tithe will be available in the following year. To receive this financial support, a church plant needs to submit their strategic plan to the Director of Church Planting which includes their evangelistic and discipleship plans.

Note: The Stewardship Committee of the NSW Conference oversees the Super Tithe Reversion Policy. The policy is subject to change. Contact the Director of Church Planting for the current version of the policy.

HELPFUL TIPS FOR FORMS AND REPORTS

- All of the church planting application forms and templates for reports, are available from the NNSW Church Planting webpage.
- Share stories how the Holy Spirit is working powerfully through your team and in your community.
- Include pictures of your church plant—a picture is worth a thousand words!
- If you need help filling out the forms, talk to your coach or the Director of Church Planting.
