Due to a range of unforeseen circumstances, the proposed southern discipleship school did not occur in 2019. (Yet we praise God for the largest ARISE class ever in 2020!) After consultation with numerous donors, the 2019 funds allocated to the discipleship school have been placed in a revolving loan account for developing new Centres of Influence across the conference, and God is blessing!

3 SoZo POP-UP HEALTH RETREATS

2 SoZo MEDICAL MISSIONARY TRAININGS

Innovative and effective health evangelism activities were run with community members and church health professionals from across the conference. SoZo Health is fast becoming a part of the missional 'DNA' of NNSW's regular health evangelism program. **Thank you!**

Finish the Work

The 2020 Appeal is an opportunity for you to invest directly in front-line outreach efforts to finish what we have already begun.

As Paul wrote, *"It is to your advantage not only to be doing what you began and were desiring to do a year ago; but now you also must complete the doing of it."* 2 Corinthians 8:10-11

Seeking \$400,000 to develop and expand these proven, soul-winning, NNSW ministries:

Proclaiming the Gospel

Bible Workers

- Supporting front-line workers targeting regional areas where there is little or no Adventist presence.

Faith FM Breakfast Show

- Taking the everlasting gospel across the radio waves of NNSW and beyond.

Serving Humanity

Adventist Community Services

- Strengthening ACS projects in our local churches as they work on the frontline to assist families and communities in need.

Centres of Influence

- Supporting new and established Centres as they increase their influence and impact for eternity.

Making Disciples & Growing Spiritually

Children & Young Adults

- Run KidsReach Rallies to encourage our children to invite their friends to Christ-centred, child-focused outreach.
- Provide training and support to expand the Adventist Student Associations on university campuses across NNSW.
- Establish a fund to part-sponsor young people who wish to attend summer camps and other mission-focused events.

"The LORD said, ... take for me an offering from all whose hearts prompt them to give." (Exodus 25:1-2)

Please humbly and prayerfully consider these front-line ministries and give, or pledge, whatever the Holy Spirit is prompting your *heart* to give.

OUR COMMITMENT

Your generosity and sacrificial giving to last year's Big Camp Appeal has significantly contributed to supporting church plants across the Conference, innovative health evangelism initiatives including pop-up health retreats, urban centres of influence and other evangelistic projects. We praise God for what He has achieved in our Conference. Together with supporting these current projects, creative new initiatives are being worked on. Your financial support of this year's Big Camp Appeal will provide the necessary resources to enable God's work to continue to grow and flourish across the Conference. Thank you for your generosity and your contribution to evangelism as we work together to extend His kingdom. *Pr Adrian Raethel*
