- The maximum length of time per hire is for 1 school term (equivalent of 3 months).

- The Hirer must notify the Owner of any damage or defects caused whilst in their possession.
- The Hirer must not lend any resource(s) to another church/school or person/s as they are responsible for any damages and returns.
- Damages other than fair wear or tear will be charged at the discretion of the Children's Ministries Department.
- If the resource(s) are returned by someone other than the Hirer and they are damaged during transportation the responsibility will remain with the Hirer as the person hiring.
- Resources are provided as is. Do not alter, change, cut or paint them.
- Resources that have gone missing will be charged in full for replacement cost.

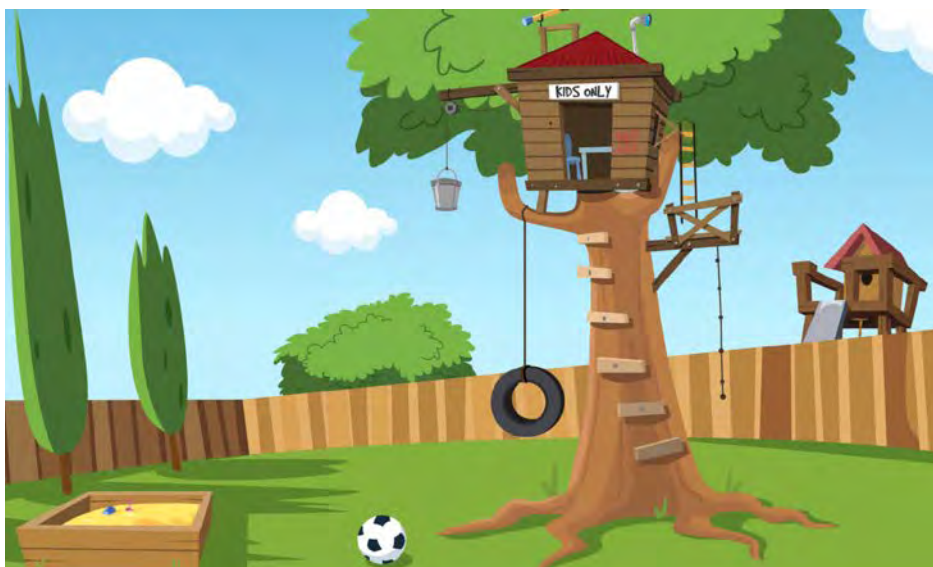

*Please note NSW Conference churches are entitled to a discount. Phone or email for your church discount.

Backdrops take all the hard work out of decorating. They are the foundation to creating a scene. Once a backdrop is hung and a few props placed around this will bring your scene to life. Whether you are a creative person or not it doesn't matter as the creation has already been done for you.

WHOSE HOUSE DEVICE

1. Who lives in a hole at the bottom of the stump
And calls her babies with a thump, thump, thump?
 2. Who lives in this house all curled up tight
And comes out to hunt for food at night?
 3. Look! What is this on the branches tall?
Who could live in a house so small?
 4. Who carries this house on his back just so
And walks so very very slow?
 5. Who lives way down deep in the sea
Swimming here and there so quietly?
 6. Inside this house there's sweet honey for me.
Who could live here? Who could it be?
 7. You know who lives in this house without thinking very hard.
Maybe you even have one in your own back yard!
 8. This is a house we call a home where a happy family lives.
A daddy strong, a loving mother, a sister kind and sweet baby brother.
 9. This is the church where each Sabbath day
We come to sing, to worship and pray.
- The church is God's house. He is here today.
He sees each boy and girl and hears each word they say.
Carol Hansen
